

Heritage Photo Journals

Choose from 5 front cover layouts, 17 page layouts, or design your own page and upload it into the full-bleed layout. Also, great for traditional scrapbookers who utilize standard 8 1/2" x 11" pages. Simply scan in a page, upload it, and place it into a full-bleed layout. A fast and easy way to preserve those cherished memories and honor the time and effort utilized in creating the pages originally. *This classic, professional book is 26 pages, full color, high quality, printed on glossy paper, hardbound, 11x8.5 inches or 7.625x10 inches.*

Hero Posters

Send a personalized poster, instead of flowers, for a very special thank you, a gift across the miles, or even to boost a child's self-esteem – the possibilities are endless. Choose from a variety of horizontal or vertical layouts and designs. *Poster measures 12.5x18.5 inches or 18x24 inches, full color, high quality glossy paper.*

Brag Books

Always ready for show-and-tell! With 11 of your precious photographs you can create a tiny treasure that will be a big hit as gifts for loved ones—perfect for tucking in purses, decorating shelves, or showing off on Dad's desk. *14 full color pages, high quality, printed on glossy paper, hardbound, 5x5 inches. Use our poem, or write your own message inside.*

StoryCards and StoryPosts

Share the moments of your life with a StoryCard greeting card or a StoryPost postcard from Heritage Makers. Provide us with the address and we'll even ship your cards directly to your loved ones for you. You can also purchase a giftcard to certain retailers as an added gift from you. Mailing envelopes included. *Glossy coat, 5x7inches or 4x6inches.*

Timeless Calendar

Create a calendar that you will never want to throw away. Choose from several layouts and backgrounds and start with any month for a whole year. Family calendars are great gifts for everyone on your list. *Full color, 11x8.5inches.*

Designer Series

Now anyone can create beautiful, designer storybooks with our New Heritage Studio Digital Storybooking tool. Each page is a canvas upon which you can add, move and rotate photos, text or any background or art embellishment. They are also great for scrapbookers who want to create duplicates of their work! *Published books are full color, high quality, printed on glossy paper, hardbound, and available in 8x8 (26 pages) and 12x12 (20 pages)*

Storybook Publishing

Everyone has a story! Our personalized Heritage Makers Storybooks allow you to SHARE your story and give you confidence that your memories are preserved in a way the whole family can enjoy. *Published books are 26 pages, full color, high quality, printed on glossy paper, hardbound, 8x8 inches.*

Roots Book

Preserve generations of your family heritage through our new Roots book. Each book traces four generations with a separate page for each individual, in addition to a family tree and pedigree chart. A perfect way to celebrate the heritage of a loved one – showcasing key elements of generations past. *Published books are full color, high quality, printed on glossy paper, 26 pages, hardbound, 7X11 inches.*
